## U.S. SPUR SCONGRESS TO ACTION RUSSIAN WAR MINISTER RESIG

All Influences of Administration Being Concentrated to Convince Congress of Need for Haste in Passage of

FOR CROSS, SICK

If little stomach is sour, liver torpid or bowels clogged.

Mothers can rest easy after giving the sense and seem to be espionage bill the sense at tached a section prohibiting the manufacture of intoxicating liquors from food grains. Various prohibiting proposed in a few hours all the closged-up waste, sour bile and fermenting food grains. Various prohibiting proposed in a few hours all the closged-up waste, sour bile and fermenting food grains. Various prohibition proposed in a few hours all the closged-up waste, sour bile and fermenting food grains. Various prohibition proposed in a few hours all the closged-up waste, sour bile and fermenting food grains. Various prohibition proposed in a few hours all the closed-up waste, sour bile and fermenting food grains. Various prohibition proposed in a few hours all the closed-up waste, sour biles and forces in congress, coupled with the rising prices of food, present a likelihood of some action to prevent food stuffs from being manufactured into liquor at least during the war.

Federal reserve in amendment:

These additions to the existing bank there are directly experts into the federal reserve system waste to be the system more delicions "fruit larative." Children love it, and it can not cause injury. No difference what alls your little one—if full of cold, or a sore throat, distribution to bring more banks into the federal reserve system for practically any shock it might be called upon to good holdings of the system more than \$250,000,000. Congress was told their enactment would prepare the reserve from the deciral reserve system for practically any shock it might be called upon to good holdings of the system more than \$250,000,000. Congress which have administration are being congenity and to heart would prepare the reserve system for practically any shock it might be called on to pass before adjourning.

For the present, all the pushing infrance of the administration are being congenity and to heart lives and the submarine first, and to heart laws to guard the

Esplonage bill: The house in passing the bill retained the newspaper censorship section demanded by the administration, but did not enact an embargo section, which the administration wants to keep supplies from going to Germany through neutrals. The senate still has its bill under delate retaining such an embarge secator Claude Hudspeth and represention, but entirely without a censor-ship provision. The real enactment of this bill probably will be in conference where the administration will bring pressure to have both censor-ship and embargo sections inserted in acceptable terms.

Prohibition Is Anticipated.

#### Mothers of France

THE greatest actress in the world in the greatest screen drama of the greatest war is now the offering at the Alhambra. Certainly no picture was ever produced that has such a combination of interest and entertainment. In addition to its dramatic worth it carries one of the prettiest love stories ever filmed.

### Sarah Bernhardt

10c 15c

THIS is probably the last opportunity you will have to see Sarah Bernhardt. It is fitting that she should appear in such a triumph and in such a character as she presents in "Mothers of France." This engagement closes Wednesday, but do not wait until then.
